

New NACCC Mission

The Mission and Outreach Ministry Council voted in November to add a new recommended mission. A *Christian Mission in the National Parks (ACMNP)* was recommended to the Council by the Warden Community Church, WA.

Worship Time in the National Parks

This mission, based in Colorado, provides a positive God-honoring impact on the National/State Park communities that include park visitors, concessionaire employees, and the park employees. The mission teams lead worship services and provide opportunities to cultivate a sense of community with coworkers. They also provide leadership training. They have a presence in 40 - 45 national parks with 275 mission team workers.

One Great Hour of Sharing Update

Craig Memorial Congregational Church after the Fire, Paradise, CA

The fall of 2018 saw more disasters. Hurricane Florence and Michael swept through Florida and the Carolinas. Fires in California destroyed entire communities. The NACCC family has been very generous. Over \$35,000 has been donated to these disasters. Thank you very much for your generosity. The publicity dies down, but people are still in need. Please keep these people in your prayers.

Needs of the Missions

Indian Community Fellowship, India, wants more sewing machines to train women in the community. This will enable them to be self-sufficient. They would also like study bibles for cell leaders.

Christ to the Villages, Nigeria, is in need of a four wheel vehicle for the mission.

Prayers

Rev Charles Nyane, Word Alive Mission, Ghana has glaucoma and will be coming to the United States for surgery in the spring of 2019.

Rev. Matthew Oladele who is recuperating from malaria and typhoid fever.

Continued prayers for those affected by disasters in 2018.
