

The Leader Table

A primer on leading in a space we've never been before.

Alan Roxburgh

Our training has not prepared us for this moment of unraveling. We're in a place we've never been before, confronting challenges that are beyond quick fixes. To understand how to lead, we must **dig into how God's story for the world works itself out in times of disruption.**

WHAT YOU WILL DO

In these four sessions, we will dig into four BIG questions about where we are, what leadership means, and the concrete steps we can take.

- 4 90-minute sessions
- 4 key leadership questions
- 4 video resources
- Led by Al Roxburgh

- 3 What are the skills and practices for leading in this new space?
- 4 How can I step into these practices in my context?
